

Displays for Church is a division of Diers Exhibit, and offers quality display items at a discounted price for churches and nonprofits. Our vision is to be a source that gives back to the community by helping certified 501(c)(3) nonprofits and churches promote their good works.

FAMILY BUSINESS • FAMILY VALUES

Diers Exhibit launched Displays for Church in 2016 with 20 years of trade show experience behind them. Founder Jeff Diers has been helping churches and nonprofits since Diers Exhibit started in 1996.

In 2012, Jeff's daughter, Jessica, joined the family business and has continued to carry out the legacy Jeff began.

As part of a family-owned business, our clients come first and are the core of our business model. We listen to your requests and work with you to come up with practical solutions that meet your budget and deadline. Let us fulfill your display vision and show you just how valued you are.

“From our products to our commitment, it would be difficult, if not impossible, to find another exhibit company willing to work harder and more competently on your behalf.”
