

DIERS EXHIBIT

— DISPLAY BRILLIANCE —

Diers Exhibit specializes in trade show displays and custom exhibits. We utilize a turn-key approach to portable trade show displays and services. We are your partner for all trade show-related marketing, and we will work with you to bring your vision to life.

FAMILY BUSINESS • FAMILY VALUES

Jeff Diers started Diers Exhibit in 1996 with a little more than a dream and a few client files in-hand. Since those first days, we have come a long way, and now have 20 years of experience in the Trade Show Industry.

In 2012, Jeff's daughter, Jessica, joined the family business. Their combined expertise and hands-on application take Diers Exhibit to the next level.

As a family-owned business, our clients come first and are the core of our business model. We listen to your requests and work with you to come up with practical solutions that meet your budget and deadline. Let us fulfill your exhibit visions and show you just how valued you are.

“From our products to our commitment, it would be difficult, if not impossible, to find another exhibit company willing to work harder and more competently on your behalf.”

- JESSICA DIERS
